PARTNER WITH US

Community Impact Week brings people together to participate in volunteer projects throughout the Portland area that results in thousands of volunteer hours for local non-profits. United Way's Hands On Greater Portland volunteer program recruits nonprofits like you for volunteer projects and connects volunteers to them. We seek a wide variety of projects so anyone can be included! We believe that doing good transforms our community and each of us individually. This belief comes alive when we connect volunteers with meaningful ways to help!

By joining us as a partner organization, we can help you:

- Scale up your impact by providing many hands to make light work.
- Potential to connect with corporate sponsors so you can create meaningful relationships with funders in your area.
- Augment your exposure and media attention by being part of a large volunteer week.
- Access the expertise of the Hands On team to make your project a success!

We've seen many of our partner organizations gain long-term volunteers and build relationships with corporate partners during Community Impact Week, ensuring that the project you host alongside us will create impact for you and your community year-round!

LEVEL UP YOUR IMPACT

“

LINDSEY NORLANDER
EXECUTIVE DIRECTOR, DRESS FOR SUCCESS

"I'm grateful for the impact of my community and that I'm surrounded by people who utilize their gifts and skills to further support different affinity groups."

NICOLE KAMENA
COMMUNITY IMPACT WEEK VOLUNTEER

"Good people showing up can make a huge difference, and inspire more people in the community to pitch in."

LINDSI TAYLOR
DIRECTOR OF CORPORATE COMMUNICATIONS, COLUMBIA DISTRIBUTING

"I'm thankful my employer encourages time spent outside our daily jobs to connect with our community and make a difference. The best part is that oftentimes we get to volunteer together, as we did during Community Impact Week in October!"

”
